ABOUT ME

I am a 22 year old boy, open to the world and to every experience.
My motto is "**_Constantly Evolving_**", it is not just a motto but a lifestyle.
I am a creative, precise, reliable person, I like working in a team and always setting myself new goals.
I invest a lot of time in the search for new skills and experiences, I believe that increasing one's cultural background is not just an advantage to display on the CV, but a lifestyle that offers opportunities every day.

PROJECTS

Project for the Front-End course at ITS RIzzoli

Here is my Front-End project done in #ITSAR 🏫 in the first part of the Front-End Development course (UFS07).

I made an interactive dashboard that contains various interesting widgets and information that update in real time.

The dashboard is responsive, it can also be viewed from mobile and Tablet 📱
